One step forward - two steps back
Living on the edge -
it's as simple as that
I'm no Mr. Lucky - I've never been close
I'm higher than some -
but I'm lower than most
Just when you thought that
you'd got it made
The bitch draws blood again
You sow as you reap - the same mistakes
Buddy rings the bell - begin the same
Bad habits - bad habits die hard
Bad habits - bad habits die hard
I'm stuck in a rut -
but I'm burning inside
I am what I am - just a low-down bum
Always end up in trouble -
just trying to be good
But with tumbling dice -
the sixes will come
Bad habits - bad habits die hard
I know I got a lot of bad habits
- bad habits die hard
I bet you got Rem too
One step forward - two steps back
I get caught in the middle -
nailed to the rack
Got a load of bad habits -
corrupted within
I'm a freak of nature -
full of vices and sins
Just when you thought that you'd
got it made
The bitch draws blood again
You sow as you reap -
the same mistakes
Buddy rings the bell - begin the game
Bad habits - bad habits die hard
Bad habits - bad habits die hard
I know I got a lot of bad habits
- bad habits die hard
Everybody's got bad habits -

bad habits die hard
