As long as I remember -  
I was left all by myself  
When trouble crossed my way  
I stood alone  
My old man hit the bottle -  
my mom was running scared  
The old forgotten prayers turned  
to stone  
IÃ,Â¹m searching for identity -  
I donÃ,Â¹t show who I am  
The past has cast a shadow over me  
Like a bad religion -  
the only one I know  
I never had no shelter - never had  
a place to go  
A bad religion - my life  
is make-believe  
Bad religion - IÃ,Â¹m begginÃ,Â¹ for relief  
I tried to break the circle - to  
break the vicious spell  
But the past is always heavy  
on my mind  
IÃ,Â¹m dancing with the devil -  
a dangerous romance  
A daring way to leave it all behind  
IÃ,Â¹m searching for identity -  
I donÃ,Â¹t know who I am  
The past has cast a shadow over me  
Like a bad religion -  
the only one I know  
I never had no shelter  
never had a place to go  
A bad religion - my life  
is make-believe  
Bad religion  
I need someone to talk to -  
someone to understand  
I need a friend to lend a helping hand  
IÃ,Â¹m gonna pull myself together -  
shed this battered skin  
IÃ,Â¹m ready for the challenge -  
this loserÃ,Â¹s out to win

Like a bad religion -  
the only one I know  
I never had no shelter -  
never had a place to go  
A bad religion - my life  
is make-believe  
Bad religion - I'm beggin' for  
relief - bad religion
