I hear a rock 'n' roll guitar
Screamin' wild on the radio
Well, I know what I like
Know and it's right
Gotta take me through the night

The sound is comin' out
It's breakin' down the doors
Like an earthquake
Explodin' your brains
Do it again, power is a natural right

I say, hey rock 'n' roller
Power in your hands
You and your music
Right on rockin' man

You gotta hear it for a while
It bowls you ever like dreamin'
Oh, hell what a night
Keep a rockin' on tight
Hey, boy can't you see the light

I say, hey rock 'n' roller
Power in your hands
You and your music
Make me rockin' mad

Burning, burning
Burning just like fire
Burning, burning
Burning just like fire

Burning, burning
Burning just like fire
Burning, burning
Burning just like fire

I say, hey rock 'n' roller
Power in your hands
You and your music
Make me rockin' mad

Burning, burning
Burning just like fire
Burning, burning
A rock 'n' roll desire

Burning, burning
Burning just like fire
Burning, burning
A rock 'n' roll desire

Burning, burning
Burning just like fire
Burning, burning
Burning just like fire

I say, hey rock 'n' roller
Power in your hands
You and your music
Right on rockin' man

Burning, burning
Burning just like fire
Burning, burning
Burning just like fire

Burning, burning
Burning just like fire
Burning, burning
Burning just like fire
