In the heat of the night
You've pushed my juice to the limit

You slide so right
I know that you're going down

It's getting harder to breathe
You burn my bones with your fever

[I'm gonna get ya]- while you sleep
[I'm gonna wreck ya]- release your body heat
[I'm gonna get ya]-I know you're gonna come with me

I wanna be your - Hard Attack - Hard Attack
You gonna feel my Hard Attack - Hard Arrack

When you shiver and shake
I'm a man hell bent on a mission

We're doing it good
I'm a tiger on heat tonight
[I'm gonna get ya]- while you steep
[I'm gonna wreck ya]- release your body heat
[I'm gonna get ya]-I know you're gonna come with me
