I can't believe in you  
I can't believe in you - no!

I remember the times  
When we were young  
And all we did was just for fun  
And I loved you - ooh - how I loved you

But now you've changed  
A face the same  
Felt so sure  
No doubt in my mind

But tonight I've got this crazy feeling  
I've never left before  
You've got my senses reelin'  
You shouldn't lie to me

I can't believe in you - even though I try  
I can't believe in you  
I can't believe in you - don't give me all you lies  
I can't believe in you - believe in you - believe in you

I laid you down and I set you free  
Suddenly you opened up  
And I loved you  
Oh I loved you

Say you don't need me in the things I do  
But I gave more than any fool could do  
Still don't know what really blinded me  
What really blinded me  
I can't believe in you - on you I can't rely girl  
I can't believe in you  
I can't believe in you - even though I try  
I can't believe in you

But tonight I've got this crazy feeling  
I've never left before  
You've got my senses reelin'  
You shouldn't lie to me

I can't believe in you - even though I try  
I can't believe in you  
I can't believe in you  
I can't believe in you - no matter how I try

I can't believe in you  
I can't believe in you - even though I try  
I can't believe in you  
I can't believe in you - girl - get away from me - yeah

I can't believe in you  
I can't believe in you - get away - I don't believe you've  
told  
I can't believe in you - yeah - yeah - yeah - yeah - yeah  
I can't believe in you

I can't believe in you,...
