You tried to make me feel  
Our love could be real  
And I tried, tried to make you feel  
You and me have a chance  
We tried to understand  
Promises have to be kept  
But it's only a game  
Where both of us hope to win  
But I just found the first little cut  
And I wonder why, oh God, but so what  
It's hard to understand - and find a way  
To give you all my life  
Hard to understand - and hard to say  
To give you all my life  
Well, I pretend tonight  
Our life is alright  
But I feel the weakness now  
Of living with a lie  
I'm acting sweetness  
But I'm burning in hate  
'cause I can't stand you hurting me  
The same way I hurt you  
But I just found the first little cut  
And I wonder why, oh God, but so what  
It's hard to understand - and find a way  
To give you all my life  
Hard to understand - and hard to say  
To give you all my life  
It's hard to understand - and find a way  
To give you all my life  
Hard to understand - so hard to say  
To give you all my life  
It's hard to understand - and find a way  
Hard to understand - to understand  
Hard to understand - you and me have a chance  
To give you all my life  
I'm burning in hate 'cause it's just a game  
To give you all my life  
It's hard to understand - so hard to understand  
To give you all my life  
Hard to understand - so hard to say  
To give you all my life
