Always on the run
Where you are going, what you are doing
Looking just for fun
Love the twilight, love the dark
Rats -- are all around
And I am waiting for a head
Take what you want
And if you need it take it now
Guess it will be just alright
I'm living for tonite -- tonite
Living for tonite -- tonite
Working out my way
Find some ramp-rats, find some victims
Bad games all night long
We need to hid it just for fun
Games -- we shouldn't play
And if you need some help -- just wait
I'm going out into the dark
Guess it will be just alright
I'm living for tonite -- tonite
Living for tonite -- tonite
Gimme your body
Take what you want
Can't wait anymore
I'm living for tonite -- living for tonite
Tonite -- living for tonite
Tonite -- living for tonite
Tonite -- I'm living, living for tonite
