She's a dancer
And she's holdin' on
To dreams of fame
No loser
But in her mind
It's coming apart
It's felony to me
To give it up -
She's gonna lose it
Been holding back on love
Pretending there's no way to turn
She's a prisoner
Got a lot to fight for -
(prisoner)
Prisoner - prisoner of fame
Got a lot to fight for -
(prisoner)
She's a dreamer
And I imagine her
That she'll be mine
Chasing a dream
The lights they call
Got no love anymore
'cause she gave it all
It's insanity to me
To give it up -
She's gonna lose it
Back holding back on love
Pretending there's
No way to turn
She's a prisoner
Got a lot to fight for -
(prisoner)
Prisoner - prisoner of fame
She's a prisoner
Ooh yeah - (prisoner)
Prisoner - prisoner of fame
(can't you see what' going on)
It's mystic magic
Dancing on air
Some call it tragic
She's fading - fading away again

(prisoner)
