I know you raped me
And rocked my soul and life
You screwed my brain
And offered me a line

You set my heart on fire
To make me stick like glue
You know I'm coming
Down to the point of fear

You make me eat myself
I scream I pain in vain
To lose the last bit of identity
And forget humanity

That's what you like to do
To treat a man like a pig
And when I'm dead and gone
It's an award I've won

Do you think that pays
Pays for my life
Which I give now when I die

Wargames - killed in action
Wargames - for satisfaction
Shanghaied - killed in action
Wargames -

For you it is so easy
To erase my name
You might have a celebration
For the ones who died

Charity in general
Is tax deductible as well
Ain't that exciting
Ha ha ha, when everything is alright

Do you think that pays
Pays for my life
Which I give now when I die

Wargames - killed in action
Wargames - for satisfaction
Shanghaied - killed in action
Wargames -

What a lie to say I'm immortal
What a lie to sell me your fame
Where is God when I'm buried
Does he stop this bloody game

What a lie to say I'm immortal
What a lie to sell me your fame
Where is God when I'm buried
Does he stop this bloody game

Wargames - killed in action - wargames
Wargames - killed in action
Shanghaied - for satisfaction
Wargames - killed in action
Wargames, aaah
Wargames - killed in action
Wargames - for satisfaction
Shanghaied - killed in action
Wargames
