Out along the Volga  
Minds set to kill  
Men standing ground with iron will

Deathmatch approaching  
Evil in stride  
Never giving quarter to the other side

Gunfire and bloodshed  
Shredding flesh and bone  
As young men die in the killing zone

Through streets and factories  
Fighting hand to hand  
Be prepared to die for the Motherland

[So hungry, so cold]  
But there can be no surrender  
[For creed and pride, take hold]  
Blood is the cry, we'll do or die  
for Stalingrad [Stalingrad]  
we'll do or die [Stalingrad]  
Blood is the cry  
It's the battle of Stalingrad...

Two soldiers dying  
Battered and blind  
Enemies no more they've come to find

Mission forgotten  
Now brothers in death  
They hold each other abreast to the final breath

[So hungry, so cold]  
No, there can be no surrender  
[For creed and pride, take hold.  
So hungry, so cold]  
We're only following orders  
[We gave our hearts and souls]  
Brothers we fight, frozen in time  
in Stalingrad [Stalingrad]  
frozen in time [Stalingrad]  
Yeah, brothers we fight.
