They terrorize and
tyrannize democracies
Their narrow minds still nothing
learned from history
The seeds of hate acquired from
their ancestry
Spreading like a cancer in societies
They've got the poison inside
Rivers of pesticide
Skin-headed minions -
they're deaf, dumb and blind
Machine-like in body - robotic in mind
Stone evil - inherited sin
Stone evil - infected from within
They can't leave it -
they can't break the spell
Under orders to obey
It was meant to last a thousand years
It took the world into dismay
Stone evil - stone evil
If you're gonna throw the torch at us
Don't expect to not get burned
It's time to stand - and fight the right
This is the lesson we have learned
They're marching to a different
beat and glorify
The darkest times when innocent
were crucified
They paralyze and sterilize the
masses' minds
They desecrate man's dignity -
desensitize
They've got the poison inside
Rivers of pesticide
Skin-headed minions -
they're deaf, dumb and blind
Machine-like in body -
robotic in mind - evil
Stone evil - inherited sin
Stone evil - infected from within
Stone evil - inherited sin
Stone evil
