Hey little girl, what's good tonight?
Come have some fun, we're gonna run today- run
today
Playing on a stage on sunday night
You'll have a sound that's burning in your brain- in your
brain
Hey little woman accept tonight
Come rock and roll and feel allright
Hey little woman dance tonight
Hey woman, don't you (fight)
Hey little woman accept tonight
Come rock and roll and hold me tight again
Rockin on stage like a hurricane
Sound goes in your face- right down your mind- down
your mind
Come everybody let's move around
Give me all your (___) I'll give you (___)- give you (___)

Chorus

That's rock and roll- that's rock and roll
Helldriver
Hey man, you're crazy, you're lookin' so bad
Your body looks perfect, your face like a rat
You are a loser, only shit in your head
You are a fighter and devil in bet

Chorus

Helldriver come to me
Stay with me, drive on with me
Helldriver come to me
Stay with me, (then some)
Driving the speedway like a superstar
The wheels are turning all this crap in your car
The engine is burning, (___) explode
You know you winner- with ten in a row

Chorus

Down on the speedway and blood in your face
The engine is broke at the end of the race

Your life was the dagger, the edge of the knife
You thought you're the winner- and you're never right

Chorus
