All my fire ain't gone inside
Only with you I will survive
And I live in the shadow of this wall
With fifty-eight thousand all in all
I surrender - I surrender
Heart'n'soul's gone to nowhere
Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
For the very first time in your life
You've not been the last in line
You had to die instead of me
Do I have to live for you now

Is that what you want me to do
Live in agony and pain
Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
In the night
Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
Oh, yeah !
Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
In the night - in the night
