There's snow on the mountains, and fog in the street;
flickering candles in the room. Hear the churchbell
ring.

See the children playing. I fell the pure delight,
and the snow is falling, taking me away.

Cold winter nights, cold winter dreams,
reflecting the sound of my heart; it's my taste of
freedom.

Cold winter nights, cold winter dreams,
don't try to tear me apart; cold winter dreams
Find myself in peace, warm from underneath.
Wish you would be here in this magic scene.

I've escaped from reality, dancing in the snow.

Cold, blue sky gives me the innocence I need.

Cold winter nights, cold winter dreams,
freezing the heat in my heart; it's my taste of freedom.

Cold winter nights, cold winter dreams,
chill me and tear me apart; cold winter dreams.

The world seemed so clear, like a wonderful diamond,
Can't imagine there's meanness. Can't imagine one lie
But when I'm dead and gone and snow's pouring down,
I'm burried and covered, peaceful under millions of
stars.

Cold winter nights, cold winter dreams,
reflecting the sound of my heart; it's my taste of
freedom.

Cold winter nights, cold winter dreams,
don't try to tear me apart; cold winter dreams
