Check, check, check
One, two, one, two

Spitting in a wishing well
Blown to hell, crash
I'm the last splash
I know you, little Libertine
I know you're a real koo koo

Want you, koo koo, cannonball
Want you, koo koo, cannonball
Hey now in the shade, in the shade
Hey now in the shade, in the shade

I know you, little Libertine
I know you're a cannonball
I'll be your whatever you want
The bong in this reggae song

Hey now in the shade
Hey now in the shade
Want you, koo koo, cannonball
Want you, koo koo, cannonball

Spitting in a wishing well
Blown to hell, crash
I'm the last splash
I'll be your whatever you want
The bong in this reggae song

Want you, koo koo, cannonball
Want you, koo koo, cannonball
Hey now in the shade, in the shade
Hey now in the shade, in the shade
