If I saw you now Could I look in your eyes?

Do you think of me Like I dream of you?

MotoLyrics

Do you wish you were here Like I wish I was with you?

You've loved me before Do you love me now?

Does love ever end When two hearts have torn away? Or does it go on And beat strong anyway? You've loved me before Do you love me now? Come back to me right now! C'mon c'mon come back to me right now!

C'mon c'mon come back to me right now! C'mon c'mon come on!

You've loved me before Do you love me now?

You've loved me before Do you love me now?
