Drivin' on nine
You could be a shadow
Beneath the street light
Behind my home
Drivin' on nine
I sure miss you
Pass a motel
Looking at the piles
Drivin' on nine
Looking for the thirty
Maybe I passed it
Go another mile
Drivin' on nine [2x]
Drivin' on nine
I sure look pretty
Carson City
Walking down the isle
Drivin' on nine
Does daddy have a shotgun
He said he'd never need one
Go another mile
Drivin' on nine
Drivin' on nine
Looking out my window cell
Wondering if I want you still
Wondering what's right
Drivin' on nine [3x]
