Come on in
On in, on in
Come on in
On in, on in

Is it in the east
You've gone too far
Boys it's over there
Not that far
It's here
It's where you are

Where are you going
To the city
Where are you going
To the city
Where are you going
Istanbul

Is it in the east
You've gone too far
Boys it's over there
Not that far
It's here
It's where you are

Come on in
On in, on in
Istanbul, Istanbul

Come on in
On in, on in
Come on in
On in, on in

Where are you going
To the city
Where are you going
To the city
Where are you going
Istanbul
