Oh, Oh
We belong
To the spaces
Between our love and hate
And social places
Oh, Oh
We belong
To the choices
You make between your ears and hear
Funny voices
But itâ€™s the love
Itâ€™s the love
Itâ€™s the love, love, love, love, love, love
Itâ€™s the love
Oh, Oh
We belong
To the faces
Between our love and hate
And all their
Oh, Oh
We belong
To the choices
You make between your? and?
And funny?
But itâ€™s the love
Itâ€™s the love
Itâ€™s the love, love, love, love, love, love
Itâ€™s the love
Wooh!
Itâ€™s the love
Love
Itâ€™s the love, love, love, love, love, love
Itâ€™s the love
