I like all the different people
I like sticky everywhere
Look around, you bet I'll be there

Hot metal in the sun
Pony in the air
Sooeey and saints at the fair

Saints alive you're saying
Walk in squares
The hid are out
Out for the year

It's a lot of face
A lot of crank air
Eroding round here

Summer's ready
(Summer is ready when you are)
Summer's ready
(Summer is ready when you are)

I like all the different people
I like every kind of fair
In the crowd, you bet I'll be there

Walking around
Going nowhere
Seeing sooeey and saints at the fair

Summer is ready when you are
Summer is ready when you are

Summer's ready
(Summer is ready when you are)
Summer's ready
(Summer is ready when you are)

It's a lot of face
Crank air
Walking in squares
In the sun

Summer is ready when you are
