The sky keeps on changing colors  
In the rain  
Nothing ever seems  
To stay the same  
But I found you to my  
Surprise  
I found all I needed  
In your eyes  
Everyone keeps leaving  
But you stayed  
When I held you tonight  
And let my heart go free

Hold me close  
Now until forever  
I'll be unafraid  
Hold me close  
Give me back  
My reason to believe  
Come and save me

Love  
Nothing ever takes the place  
Of love  
Breaks through all the madness  
Like a flood  
You washed away my fears  
And let my heart go free

Hold me close  
Now until forever  
I'll be unafraid  
Hold me close  
Give me back  
My reason to believe  
Come and save me

Hold me close  
Now until forever  
I'll be unafraid  
Hold me close

Give me back  
My reason to believe  
Come and save me  
Come and save me

I found you tonight
