If you're leavin'
Don't look back
Leave me like you mean it

I know you're angry when you won't talk back
It's hard to take you serious when you act like that
It's not the first time we've run this road
But I'm tired of carrying this heavy load

If you're leavin'
Don't look back
Leave me like you mean it
If you're goin'
Pack your bags
Make my heart believe it

If you're leavin'
If you're leavin'
(You never listened to the tears that fell
I'm over screaming down a wishin' well
But I was only trying to make you see
I never thought you'd really say to me

If you're leavin'
Don't look back
Leave me like you mean it
If you're goin'
Pack your bags
Make my heart believe it

If I'm Leavin'
If I'm Leavin'

Girl, we can talk it out
Or we can scream and shout
And if you wanna you can slam the door
I get the feeling that you'll be comin' back
Just like you did before
If you're leavin'
Don't look back
Leave me like you mean it

If you're leavin'
Don't look back
Leave me like you mean it
If you're goin'
Pack your bags
Make my heart believe it

If you're leavin'
