You always pull this
From your bag of tricks
You toss a tear on your cheek
Just to see what sticks

The dashboard light reads midnight
You don't want me to go
The house is dark, you're falling apart
And you hate to be alone

But I don't get it
What's wrong with you?
I swear you turn it on
Anytime you want to

Cry, cry
Cry on command
Cry, cry
I don't understand
Why you cry on command

Wait a minute
You're not being fair
You know what I've been through
Why would you go there?

But you don't get it
I can't hold it in
And this ain't who I wanna be
Oh, it's just who I am

Cry
(I never know why)
Cry
(You always think I)
Cry on command

Cry
(Don't ever leave me)
Cry
(Don't you believe me?)
I don't understand

Why you cry on command

Cry, cry
Why do you think I cry?

Cry
(I never know why)
Cry
(You always think I)
Cry on command

Cry
(Don't ever leave me)
Cry
(Don't you believe me?)
I don't understand
Why you cry on command
