Every time I had a problem  
Didn't know what I should do  
Singing oh  
I would run to you  
You were there to guide me  
Always there to pull me through  
Singing oh  
I would run to you

Run to you

But I'm  
Tired of walking in your shadow  
So by this time tomorrow  
I'll be on a plane singing  
I never meant to hurt you  
You know how much I love you  
I know you love me so  
But it's time to let me go

I gotta learn to be myself  
Won't happen if I stay  
Singing oh  
I gotta get away  
We could talk it over  
But there's nothing left to say  
Singing oh  
Gotta get away

Get away

But I'm  
Tired of walking in your shadow  
So by this time tomorrow  
I'll be on a plane singing  
I never meant to hurt you  
You know how much I love you  
I know you love me so  
But it's time to let me go

Tired of walking in your shadow  
So by this time tomorrow

I'll be on a plane singing  
I never meant to hurt you  
You know how much I love you  
I know you love me so  
But it's time to let me go  
Time to let me go
