Down a back road
Long, hot summer
A couple kids runnin' loose and wild
He kissed her
She said mister,
Take an inch and I'll give you a mile

I ain't here to do anything half-way
Don't give a damn what anyone might say
I just wanna free fall for a while

That rebel moon is shinin'
Those stars burn like diamonds
Hell bent on chasin' down that crazy spark
I'll follow you where you're leading
To the first sweet taste of freedom
You got me runnin' baby,
Wild at heart

About midnight, he tells her
I ain't got no come-on lines
Well I love you, or I'll try to
We got nothing to lose but time

Stick your hand into my back pocket
Light me up like a bottle rocket
I just wanna free fall for a while

That rebel moon is shinin'
Those stars burn like diamonds

Hell bent on chasin' down that crazy spark
I'll follow you where you're leadin'
To the first sweet taste of freedom
You got me runnin' baby,
Wild at heart

O-oh, alright
Tonight is tellin' us we're way too young

O-oh, that's alright
I've got forever on the tip of my tongue

That rebel moon is shinin'
Those stars burn like diamonds
Hell bent on chasin' down that crazy spark
I'll follow you where you're leading
To the first sweet taste of freedom
You got me runnin' baby,
Wild at heart

That rebel moon is shinin'
Those stars burn like diamonds
Hell bent on chasin' down that crazy spark
I'll follow you where you're leading
To the first sweet taste of freedom
You got me runnin' baby,
You got me runnin' baby,
Wild at heart

O-oh, alright.
