Sanctus Satanas!
Praised be the lord, the raging Beast!
He who deceiveth the whole world
The first and the last
Alpha and omega
I acknowledge thee as my lodestar!

Your will, my burden, yet greeted with the utmost bliss
My body, your temple, a grotesque shell, limbs
deformed
Being dried out but my heart burns with Luciferian
pride
For the abiding of his will calls for the negation of the
self

Sanctus Satanas!
Praised be the Lord, the omnipotent Eye!
He who defeateth the whole world

Blinded by His glory, for when they worship Jahveh they
worship Him!
Crushing the cosmos, crawling corruption in the
Garden of Eden
Flesh and soil conquered, still reaching for salvation...

O laudate Dominus!
Patri et filii, et Spiritus Sancti
Ponit altare sacrilegus

O laudate Dominus!
Patri et filii, et Spiritus Sancti
Ponit altare sacrilegus

Behold He cometh with clouds and every eye shall see
Him
An ominous sign, the seals are broken
Behold He cometh with a pale horse and every heart
shall fear him!

O laudate Dominus!
Patris et filii, et Spiritus Sancti
Ponit altare sacrilegus

Deum invocat blasphemus,
O laudate dominus

Sanctus Satanas!
Astral columns are swaying, and Void is unleashed
