Is there something I should know?
I'm asking the questions so
On the other side I'll be
Hoping that you won't see
On these broken bones I'll fight
Reaching out into the air
Waiting for the dust to clear
I'm still standing

All that I had I gave away
I don't want to drown under a wave

Now you find me on my own
As I began alone
I'm the other side you see
All that you'll never be
As the walls fall by my side
Faces fly up in the air
People that I left behind
But I'm still standing

All that I had I gave away
I don't want to drown under a wave
I want to survive another day

I want to survive another day
I want to survive another day
I want to survive another day

All that I had I gave away (All that I had I gave away)
I don't want to drown under a wave (I don't want to
drown under a wave)
I want to survive another day (I want to survive, I want
to survive)

Hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey
Hey, hey, hey, hey

(Is there something I should know?
I'm asking the questions so

On the other side I'll be
Hoping that you won't see
On these broken bones I'll fight
Reaching out into the air
Waiting for the dust to clear
I'm still standing
I'm still standing
I'm still standing
