Confusion In My Head
My Eyes See Only Red
Throwing The Stones
Breaking The Bones
Turning My Back
On The Shadow That We're Blowing Away

Emotions Always Lie
You Have To Question Why
Looking Behind
See What You Find
Breaking The Truth
To You Gently From The Very First Day

The Tables Turn Around
That Body-Breaking Sound
Never Look Back
Facing The Fact
Never The Look
On Your Face Like There's Something To Say

Looking To The Sun
You're Not The Only One

I Never Meant To Take Your Place
Lying In Your Grave
And Now My Hatred Has A Face
Hatred That You Gave

And Now You Stain My Mind
I'm Leaving You Behind
Carry The Blame
Buried In Shame
Try To Forget That
You Wrecked All That Kept Me Insane

What Made Me Compromise
The Truth Is In Your Eyes
Putting It On
Taking So Long
Waiting For Night

Right The Anger Slowly Turns Me To Pain

The Sorrow That I See

Rejected Easily

Throwing The Stones

Breaking Your Bones

Turning My Back

On Your Shadow Now You're Running Away

Staring At The Sun

You're Not The Chosen One
