La, la, la, la, la
La, la, la, la, la

I didn't count on this
Before my very first kiss
This isn't the path we choose
But there's so much we could lose

Team up! (Team up!)
Are you up for it?
Put your hand in mine, it's the perfect fit
Team up! (Team up!)
Cause it's up to us
But it's hard to save the world
When you're falling in love

(La, la, la, la, la)
If we band together like birds of a feather
We'll be friends forever, going up, up, up!

Team up!
Cause it's not too late
We can save the day if we collaborate
Team up! (Team up!)
Cause it's up to us
But it's hard to save the world
It's hard to save the world
When you're falling in love
