Hello, hello
Was you in there long ago?
(?) is in the promise
Now you got nothing to show
Hello, hello
Can you hear me in the floor?
I?m a river running over
Of an ocean growing cold

Hello, hello
Can you hear me down below?
Frequency distractions
Don?t deny your radio
Hello, hello
Can you look into my soul?
Can you pick up all the pieces?
I don?t want it

Want me
Want me - Giving myself to you
Got me - You give it all away
Want me
Want me - Giving myself to you
Got me - You give it all away

Hello, hello
Is it you that built the wall?
Put up every brick
In your head, just see them fall
Hello, hello
Can you hold onto the wheel?
I was steering into trouble
Now I beat, sometime I hear

Hello, hello
Have I seen you here before?
All I give you nothing
You keep begging me for more
Hello, hello
Can you help rebuild the wall?
Can I help rebuild the wall?

Can I help rebuild the wall?

Want me

Want me - Giving myself to you

Got me - You give it all away

Want me

Want me - Giving myself to you

Got me - You give it all away

Oh, you give it all away

Oh, you give it all away

Yeah

Want me

Want me - Giving myself to you

Got me - You give it all away

Want me

Want me - Giving myself to you

Got me - You give it all away

Oh, you give it all away

Oh, you give it all away

Ah, you give it all away

Oh, you give it all away
