All the things you've been told that you keep inside
Find it easy to hide

I want to know what divides you
I only want you to lose
But a feeling inside you
Listen to the sound
Of your dreams
Like whispers they scream

Wake me from my sleep to find the
World's on fire
Trying hard to reach and still I
Can't get higher
This can't be a dream you see it
Cuts like wire
Wake me from this dream I want to
Burn

Cada cosa que guardas dentro de ti
Es difcil mentir

I want to know what divides you
I only want you to lose
But a feeling inside you
Listen to the sound
Of your dreams
Like whispers they scream

Wake me from my sleep to find the
World's on fire
Trying hard to reach and still I
Can't get higher
This can't be a dream you see it
Cuts like wire
Wake me from this dream I want to burn...

guitar solo

Wake me from my sleep to find the
World's on fire

Trying hard to reach and still I
Can't get higher
This can't be a dream you see it
Cuts like wire
Wake me from this dream (Why don't you?)
Wake me from my sleep to find the
(Burn)World's on fire
Trying hard to reach and still I
(Burn)Can't get higher
This can't be a dream you see it
(Burn)Cuts like wire
Wake me from this dream I want to
BURN
