Visit "[Far From Ordinary](#)" on [MotoLyrics.com](https://www.motolyrics.com)

When will you turn your eyes
from your path that leads to nowhere
when will you turn around
and come to realize that
this world is not your home
and this life is not your own
you've been---called to it

chorus

so far from ordinary
just like jesus we're strivin to be
so far from ordinary
is how i am and im just fine with it

if were called to be
called to be like jesus christ
we must keep our heart

free from all compromise cuz
this world is not our home
and these lives are not our own
we've been---called to it

chorus 2x's

this world is not my home
this world is not my home
this life is not my own
this life is not my own
this world is not my home
this world is not my home
this life is not my own
this life is not my own

chorus 2x's
