hey, do you recon?
would you recognise
when she
when she walks by

hey, do you recon?
would you recognise
her blue ...
and her special table dance

when she comes closer
you don't mind to blow her kisses
and fl..

oh-oh
there she goes
and take a look at her

you think it's easy
you think you're taken
and ho-oh oh
do you recon
would you recognise
when she
when she walks by
hey do you recon
would you recognise
..
and when she kicks her shoes off

ooh there she goes
..
she's doing slow
it drives you mad

you think it's easy
you think you're taken
and ho -oh oh

and there she goes
she walks on her own
whoa how
there she goes
she shouldn't walk alone
there she goes

there she goes
