"Celebrate Youth"

VERSE 1:

I wonder why I'm still into you
I wake up and all I wanna do is shoot
It feels like no one understands
Girl listen here is where the nightmare

BRIDGE:

Where the nightmare ends
Where you and me commence

CHORUS:

Celebrate youth - celebrate
This is what they say
But I gotta have it my way
Celebrate youth - celebrate
You don't have to turn me on
Do, do, do, do, do-o We are free
Do, do, do, do, do-do... As free as can be
Do, do, do, do, do-o Cause we hold the truth
Do, do, do, do, do-o Yes we celebrate - we celebrate
youth

VERSE 2:

Some people know it better than you

Some people go crazy - and you're a fool

Your parents golden garden fence

Boy listen here is where the nightmare
