Come and dry your eyes
And hold me tight
I'll make it right
Dry your eyes,
Give me a smile
I'll make it right
I swear to God,
I'll make it right

I've dried all your tears
I've tried through the years
You can't have it all
I won't catch your fall

No, you've made up your mind
You've left me behind

It's not over
You're still alive
And I will fix this
I will right it

It's not over
You're still alive
And I will fix this
I will right it

It's not over
You're still alive
And I will fix this
I will right it

I've dried all your tears
I've cried through the years
You can't have it all
I won't catch your fall

I've dried all your tears
I've cried through the years
You can't have it all
I won't catch your fall

Dry your eyes
And hold me tight
I'll make it right
Dry your eyes
Give me a smile
I'll make it right
I swear to God,
I'll make it right
