[Vs 1]:

There's a fine line between  
What you want and what you need  
Searchin' the whole world  
But your soul is still empty  
Surrender-- Your all  
Let the Lord intervene.  
He'll give you what you need  
The Lord is the master, Maker of your soul  
Trust in His plan, 'Cause He's in control.  
Your path will be straight  
Just submit to His lead  
Seek first the King  
He'll give you what you need  
Don't worry...

[Hook]:

Don't worry 'bout your life  
Submit and you will see  
All things are promised to those who truly seek  
His Kingdom  
Don't worry 'bout your life  
Submit and you will see  
All things are promised to those who truly seek

[Vs 2]:

There's a fine line between  
What you want and what you need  
Searchin' the whole world  
But your soul is still empty  
Surrender-- Your all  
Let the Lord intervene.  
He'll give you what you need  
Looking for other things  
To fill the void, set you free  
Drinking and Smokin' weed  
The fast life you lead  
All of these worldly things  
Are not what you need.  
Seek first the King  
He'll give you what you need

[Hook]:

Don't worry 'bout your life

Submit and you will see

All things are promised to those who truly seek

His Kingdom

Don't worry 'bout your life

Submit and you will see

All things are promised to those who truly seek

His Kingdom

(Repeat)
