Get down, get down
Pull your panties down
All I wanna do
(Is put my) uh-uh-uh in you
(Come on girls and let's)
Get down, get down
Pull your panties down
Cause all I wanna do
Is get down

[Kangol Kid]
I got a filthy mouth I know, but I mean well and this I
swear
I forgot to mention, it's good intention all inside of here
I see a future for the two of us, so let's not waste no
time
If time is fit I get fire lit and I cold make you mine
And make ya

Get down, get down
Pull your panties down
All I wanna do
(Is put my) uh-uh-uh in you
(Come on girl and let's)
Get down, get down
Pull your panties down
Cause all I wanna do
Is get down

[Doctor Ice]
You the girls love to make us guys sweat and beggin,
there's no doubt
You make life a bitch and I swear I wish you girls would
cut it out
Some women are timid and some are hot
Some give it all up and some do not
Some give it at will and some we force
Employees, meet your new boss
Punch it and

Get down, get down

(Tonight!)
Pull your panties down
(Right!)
All I wanna do
(Is put my) uh-uh-uh in you
(Come on girl and let's)
Get down, get down
(Huh!)
Pull your panties down
(Aah!)
All I wanna do
Is get down

Soundin, soundin kinda funky
Soundin, soundin kinda funky
Soundin, soundin kinda funky
Soundin, soundin kinda funky
Yeah

Don't let no one tell me, tell me
That you ain't gettin down
Don't let no one tell me, tell me
You ain't gettin down
Girl like the man said, baby

Get down, get down
Pull your panties down
Cause all I wanna do
(Is put my) uh-uh-uh in you
(Now come on girls and let's)
Get down, get down
Pull your panties down
Cause all I wanna do
Is get down

[Educated Rapper]
Visa/Mastercard accepted, I will charge you but so
much
I take IOU's, and that includes a head charge if you
touch
You girls rub yourself all over me make me, rise in
nature too
You say yes and no and then I go home with my balls
all blue
Why didn't ya

Get down, get down
And pull your panties down
Cause all I wanna do
(Is put my) uh-uh-uh in you
(Come on girls and let's)

Get down, get down
And pull your panties down
Cause all I wanna do
Is get down
