when you sittin all alone girl wonderin what your
thinking about
girl do you think of me do i ever cross your mind(yeah)
cuz when im sittin all alone girl all that i think about girl
got me trippin like woah and just wannna make you
myne

and i can tell by the look in your eyes
baby girl you need someone to touch you, kiss you,
hold you (let me hold you girl)
take a chance girl and look in my eyes
baby let me be the one to touch you kiss you hold you

cuz im tired of being the one, the one that you don't
see
the one that just might be the one to give you what you
need
girl im tired of being the one, the one that you dont
know
the one that you don't even turn around to say hello
im tired of being the one, one, one
im tired of being the one, one, one (ohh yeah)

tripping bout the uptown boys i know they be feelin you
girl they don't think about you the way that i do
and i heard they got swag they don't want you bad like
the way i do
so baby let me get to know you

cuz im tired of being the one, the one that you don't
see
the one that just might be the one to give you what you
need

girl im tired of being the one, the one that you dont
know
that one that you don't even turn around to say hello
im tired of being the one, one, one
im tired of being the one, one, one(ohh)

see i don't even know if your feeling me
baby i wont let it go maybe we could be

i just wanna let you know listen we can take it slow
i can preach it like gold i can make you say oh
but i aint gunna be here forever
baby take a chance maybe we can last forever
forever, forever it gunna be
if you never open your eyes cuz baby im so tired

cuz im tired of being the one, the one that you don't
see
the one that just might be the one to give you what you
need
girl im tired of being the one, the one that you dont
know
that one that you don't even turn around to say hello
im tired of being the one, one, one
im tired of being the one, one, one
