

## Breeze "To Stay"

Visit "[To Stay](#)" on MotoLyrics.com

i'm tired of closing  
my eyes without u  
i want u closer  
i don't know what to do  
i see it come  
i can't turn away  
i'll never let u  
let u go away

I make my mind up  
i'd taste the love i know the game  
don't wanna lose ya  
don't wanna lose ya  
and i never wanna let u go

everything u do commands me to stay  
it's the hardest thing i'd ever have to say  
cos i know that i feel light years away  
everything u do now  
everything commands me to stay

you're all that matters

matters to me  
you're all i want now  
how could i let it be  
whatever happens  
i'll be in ur eyes  
i'll take it bck and  
give it all inside

I make my mind up  
i'd taste the love i know the game  
d'ont wanna lose it  
dun wanna lose ya  
and i never wanna let u go

everything u do commands me to stay  
it's the hardest thing i'd ever have to say  
cos i know that i feel light years away  
everything u do now  
everything commands me to stay
