forget about your plans you can ride with me
and i can understand if you got a place to be
so what you gunna do (gunna do do do)
so what you wanna do (wanna do do do)
forget about your girls you can ride with me
baby just say the word we hope in a limosine
so what you wanna do (wanna do do do)
im rolling with you (with you you you yeah)

and girl you know i got it bad
while im checkin out ya swag
like ya jumped out of my fantasy
your like the girl i never had
and as a matter of fact
i think shawty's got a thing for me
the way ya walking in them stilletoes
the gucci prada bag
like your on the front page girl
so tonight is for the ladies
you feeling me say wassup
cuz baby you can roll with me (yeah)

baby girl i ain't no window shopper
see i see what i want and i can make it happen
and either way i can make you happy
baby say the word and you can roll with me

baby girl i ain't no window shopper
see i see what i want and i can make it happen
and either way i can make you happy
baby say the word and you can roll with me

forget about your plans you can ride with me
and i can understand if you got a place to be
so what you gunna do (gunna do do do)
so what you wanna do (wanna do do do)
forget about your girls you can ride with me
baby just say the word we hope in a limosine
so what you wanna do (wanna do do do)
im rolling with you (with you you you)

so she walking in them silver jeans
walking like she's a queen
i know shawtys tryna make a scene
i know she didn't come alone
i know she feel like (??)
i think shawty wants to dance with me
got my drink to the left
got my swagger on right
we started by the window
then we took it to the wall
so tonight is for the ladies
you feeling say wassup
cuz baby you can roll with me

baby girl i ain't no window shopper
see i see what i want and i can make it happen
and either way i can make you happy
baby say the word and you can roll with me

baby girl i ain't no window shopper
see i see what i want and i can make it happen
and either way i can make you happy
baby say the word and you can roll with me

forget about your plans you can ride with me (you can
ride with me)
and i can understand if you got a place to be
so what you gunna do (gunna do do do)
so what you wanna do (wanna do do do)
forget about your girls you can ride with me
baby just say the word we hope in a limosine(hope in a
limosine)
so what you wanna do (wanna do do do)
im rolling with you (with you you you)

forget about your plans you can ride with me (you can
ride with me)
and i can understand if you got a place to be(got a
place to be)
so what you gunna do (gunna do do do)
so what you wanna do (wanna do do do)
forget about your girls you can ride with me (ohhh)
baby just say the word we hope in a limosine(limosine)
so what you wanna do (wanna do do do)
im rolling with you (with you you you)

yeah ohh so what you wanna do
im rolling with you (yeah)
