[Verse 1]:

Can I have this moment to speak with you  
I wanna know you deeper  
I'm the student, you're the teacher  
Show me the way, lead me to you  
It's love my heart is missin'  
But now I'm on a mission  
To give my heart, I owe it all to you  
With my mind, soul and strength  
In this dry and thirsty land  
Fill me up, and make me new  
Lord, let your living water flow with love

[Hook]:

Your Love  
I was lost but now I'm found  
You turned my life around  
Keep me, in your arms  
Under the shadow of your wings  
You're the reason that I sing  
Of your love  
I was lost, but now I'm found  
You turned my life around  
Keep me, in your arms  
Lord fill me up with all of your  
All of your love

[Verse 2]:

Don't leave my presence  
No, I'm not through  
You are the True Vine  
The Center of my life  
Remain in me, as I remain in you  
I won't stray from your commands  
'Cause You have the master plan  
So fill me up  
With love and righteousness  
And guide me on the way  
The Pursuit of Holiness  
I wanna be the man after God's own heart  
So let your living water flow with love

[Hook]:

Your Love

I was lost but now I'm found

You turned my life around

Keep me, in your arms

Under the shadow of your wings

You're the reason that I sing

Of your love

I was lost, but now I'm found

You turned my life around

Keep me, in your arms

Lord fill me up with all of your

All of your love

[Bridge]:

I'm ready!

I'm so ready, to give You all of me

And I owe it all to You

'Cause Your grace and mercy covers me

I was lost... lost but now I'm found in Your love

[Hook]: Repeat 2x
