He?s in a dirty line (He wanna do it) Doing record time (Come on and do it)

He?s among the swine (Getting through it)
Doing record time
(Come on and do it)

Waiting up, chewing on your fingers Waiting up, need a little stinger Waiting up, giving it a little more time

Saying goddamn, what a situation? I'm so loaded with frustration Am I gonna be the next in line?

He?s in a dirty line (He wanna do it) Doing record time (Come on and do it)

'Coz he?s among the swine (Getting through it)
Doing record time
(Come on and do it)

Pushing it, he need a little lubing
Pushing it, he get on when you're doing
Pushing it, record breaker on the lose

He saying getting to a breakdown And now I?m looking like a sad clown He?s a record breaker with the blues

He?s in a dirty line (He wanna do it) Doing record time (Come on and do it)

He?s among the swine

(Getting through it)
Doing record time
(Come on and do it)

He's doing time, doing time He's doing time, doing time He's doing time, doing time He's doing record time

He?s in a dirty line (He wanna do it) Doing record time (Come on and do it)

He?s among the swine (Getting through it) Doing record time (Come on and do it)

He's doing time, doing time He's doing time, doing time He's doing time, doing time He's doing time, alright
