Rack'em up for a straight ruler and take the curse
I've never felt too good but tonight I think I'm feelin'
worse
Gotta get some power lotion and go lubin' up them
joints
Gimme full speed to the breakdown baby I got terror
boilin' in my loins

Critical minute and I'm feelin bad
Just not in it I'm feelin'so goddamn had
Critical minute and I'm feelin' down
Just not in it

Stuck with boredom stuck with hate stuck with a really
lame debate
Sonic eyeball action and it's meant for me
So pack it up now and be sure to keep it closed
I'm desperately seekin' all the words that I hate the
most
