Faded radiant knight of the lightsabre, Now the battery's low Motheaten, old and unable You can feel the tumor grow

It's out there
And you're gonna have to take it on
To the battle of the atmosphere
Coz you don't know what's right from wrong

REF:

He's got a tumor, got a motorarm (motorarm) And he's ridin' high (ridin' high) Hes Obi Damned Kenobi (Damned Kenobi) Old panther in the sky

Choises, the choises
They are eatin' you up innside
Got no parole from the sound of the voices
And you've got no place to hide

Coz it's hard
When the pieces don't seem to connect
It's a feeling of true defect
To the head of the inner sect

His arm is moving wildly on Motoric disease, it's the same old song And the battle of lightyears is going on Yeah the war is going on, and on And ononononononon…

REF:

He's got a tumor, got a motorarm (motorarm) And he's ridin' high (ridin' high) Hes Obi Damned Kenobi (Damned Kenobi) Old panther in the sky

He rolls the dice of justice (dice of justice) And his stakes are high (stakes are high) He's Obi Damned Kenobi (Damned Kenobi)

Old panther in the sky…
