Well I will get in the cage  
And I will meet the rage  
'Cos I ain't got no choice now  
I gotta turn the page

And when I hear the roar  
You know I'm gonna soar  
I know it's coming down to the will yeah  
Like it did before

I'm standing on the edge of my feet  
Gotta whip it till I break it down  
You got me dancing to the animal beat  
When I want the death of a clown

What I hate is the goddamn nose  
Shit shoes and a sad excuse for clothes  
The time has come for your final fall  
So get up, this is your curtain call

I'm gonna shit inside of your pant  
(You got it coming)  
Slap you with my mighty hands  
(You got it coming)  
Break you, dammit, break you down  
I want the death of a clown

Oh, God, I hate your smile  
What a loser style  
Falling over like a silly child  
Man, it drives me wild

So now you're rolling 'round in the dust  
You get ready for the ultimate trick  
You got me howling like a trumpet, baby  
You got me cutting into your schtick

I'm gonna shit inside of your pants

(You got it coming)  
Slap you with my mighty hands  
(You got it coming)

Break you, dammit, break you down  
I want the death of a clown

Tonight your show is off  
And I will take your stage  
When it's getting tough  
You gonna need some rage

I'm standing on the edge of my feet  
Gotta whip it till I break it down  
You got me dancing to the animal beat  
When I want the death of a clown

What I hate is the goddamn nose  
Shit shoes and a sad excuse for clothes  
The time has come for your final fall  
So get up, this is your curtain call

I'm gonna shit inside of your pants  
(You got it coming)  
Slap you with my mighty hands  
(You got it coming)  
Break you, dammit, break you down  
I want the death of a clown

Shit inside of your pants  
(You got it coming)  
Slap you with my hands  
(You got it coming)  
Break you, dammit, break you down  
I want the death of a clown

I know you want it, so come and get it
