Take a little of the reds  
The white and the blue  
Stir it up in a cup  
Then tell me what you gonna do?

Take a little of the piss  
The angst and the noise  
Take a look at the people  
Take a look at the girls and the boys

Out on a rock, I am stuck on a shock and I  
Don't want nobody to mend it  
Out on a rock, I am stuck on a shock and I'm  
I'm like a liar, like a thief and a bandit

Can you tell me what it's for?  
What it's good for? How it works?  
Spell it out real clear  
Make it work for the jerks

Can you print it on paper?  
Can you get it here?  
You can put it in a circle  
Or you can put in a square

Out on a rock, I am stuck on a shock and I  
Don't want nobody to mend it

Out on a rock, I am stuck on a shock and I'm  
I'm like a liar, like a thief and a bandit

Take a little of the tears  
The fears and the lies  
Take a swing at the crowd  
Take a swing at the girls and the guys

Don't go with the flow  
Just go with the go  
I know how it is  
You say it ain't so

Out on a rock, I am stuck on a shock and I

Don't want nobody to mend it  
Out on a rock, I am stuck on a shock and I'm  
I'm like a liar, like a thief and a bandit

Out on a rock, I am stuck on a shock and I  
Wanna find somebody to share it  
I wanna pack 'em up and stay, gonna crack 'em up and  
play  
I wanna see it, wanna feel it, wanna hear it
