Onederous You

Chi-town girl you rock my world
Hot soul on fire
High as a kite on a Champaign Flight
She wants to take me higher.

Well it's you, Onederous things that you do
When you do, all the things that you do

Who's got the goods in the neighborhood?
Love to watch you walk
But me and you and that Boom boom boom—
I love your baby talk

Well it's you, Onederous things that you do
When you do, all the things that you do

And when I'm far away
Rockin' on a stage
She's always there for me

She's like a smoking gun
She makes a blues song fun
She loves so sensually

When we Sneak away
Off behind the stage
You know I want to explore
You know you're such a tease
I beggin' pretty please
You got me wantin' more

She's got some kicks in her book of tricks
Hasn't used them all
Mojo, black cat, and who knows what?
I'm gonna hit the wall

Well it's you, Onederous things that you do
When you do, all the things that you do
