(Feat. Joe Budden)

[Joe Budden]

Yo... you ever wake up feeling unusual?  
I mean, it's funny what a bad mood'll do  
I know some might say I'm not suitable  
Or maybe I lost my mind, I'm delusional  
I mean, when I speak they act like they don't hear me...  
When I'm in the streets, they don't wanna come near  
me  
I'm just a little different. Just a little weirdy  
When I'm in the hood, be just a little weary  
Or maybe that's just how I was raised  
Tryna find me from ceaser to the grave  
Dropped outta school to be around apes  
You know I'd do whatever to be around papes  
Started gettin more green for kicks  
More jeans, more vicodins, some weed, a little  
morphine  
Just need to put my soul in the cleaners  
Please lord, forgive me. I'm on my own penis  
Am I crazy cuz I really mean this?  
Or are y'all stupid and I'm really a genius  
We don't think the same  
I'm like Josh Howard, I need timeout, but it'd cost the  
game  
Brave nigga, comin to age nigga  
Plus in my mind I'm bumpin Gravediggaz  
I'm jacked up and I'm tellin my boys  
The roof's spinnin around like Jamiroquai  
So if you lookin in and you look, the way things look  
It don't look like things are lookin up  
When I'm in the stew, I'm cookin up  
My heart's poundin, got chills, I'm shaken up  
I'm out of control... Basically a madman  
Tryna make board, I'm workin with a bad hand  
I'm stuck and I'm bleeding so  
There's really only one thing that I need to know...

[Cee-Lo (Joe Budden)]

Does that make me crazy? (Nahmean?)

Does that make me crazy? (I don't really think I'm too

crazy... Ya know! )  
Does that make me crazy? (I don't think I'm too  
different from everybody else...)  
Probably... (Nah, maybe I am.)

[Cee-Lo]  
And I hope that you are having the time of your life...  
But think twice...  
That's my only advice...  
Hmm... Come on now  
Who do you, who do you, who do you, who do you think  
you are?  
Ha ha ha!  
Bless your soul!  
You really think you're in control...  
Well...

[Cee-Lo]  
Does that make me crazy?  
Does that make me crazy?  
Does that make me crazy?  
Just like me...

[Cee-Lo]  
My heros had the heart... to put their lives out on the  
limb...  
And all I remember... is thinking I want to be like them...  
Hmmm...  
Ever since I was little...  
Ever since I was little it looked like fun...  
And it's no coincidence I've come...  
And I can die when I'm done...

[Cee-Lo]  
Maybe I'm crazy...  
Maybe you're crazy...  
Maybe we're crazy...  
Probably...
