Yeah, it's still the same  
Can't you feel the pain  
When the needle hits the vein  
Ain't nothing like the real thing  
I've seen it once before  
And oh, it's something else  
Good god

Cool breeze come on in  
Sunshine come on down  
These are  
The tear drops of the clown  
Circus is coming to town  
All I'm saying is sometimes  
I'm more scared of myself  
You better  
Move  
I said  
Move

Runaway  
Runaway  
Run children  
Run for your life  
Runaway  
Runaway  
Run children  
Here it comes  
I said run  
Alright

Yeah I'm on the run  
See where I'm coming from  
When you see me coming run  
Before you see  
What I'm running from  
No time for question  
Asking time is passing by  
Alright

You can't win child  
We've all tried to

You've been lied to  
It's all ready inside you  
Either you run right now  
Or you best  
Get ready to die  
You better  
Move  
I said  
Move

Runaway  
Runaway  
Run children  
Run for your life  
Runaway  
Runaway  
Run children  
Ooh  
Here it comes  
I said run

Hurry little children  
Run this way  
I have got a beast at bay  
La, la, la  
La, la, la, la  
La, la, la  
La, la, la  
La, la, la, la  
La, la, la,  
La, la  
La, la, la  
La, la  
Runaway  
Runaway  
Run children  
Run for your life  
Runaway  
Runaway  
Run children  
Here it comes  
Said run
