Cant believe Im running into you
Haven't seen you since the days of high school
Youre the one who always got away
Man this must be my lucky day
Girl, you're looking as fine as ever
How I wish that we could be together
So heres what Im gonna do
Ima have to say goodbye to you
So go, Im not beggin you to stay
Cus I got this funny feelin I'll be seeing you someday
That's right go, Im telling you to walk away
Cus I know somewhere down the line I'll be, I'll be
seeing you babe
Now you're looking at me funny, baby I aint messin
Call your daddy let me ask him for his blessin
Cus next time we meet well be on different grounds
Need a church, dress, tux, and some wedding vows
Singing: Here comes the bride (so beautiful)
All dressed in white
Now, go Im not beggin you to stay
Cus I got this funny feelin I'll be seeing you someday
That's right go, Im telling you to walk away
Cus I know somewhere down the line I'll be, I'll be
seeing you babe
Cus I know this might seem crazy, leaving you babe
when there's so much more to say
But when the heavens decide to give us a try well be
starting a family
Oh And Im thinkin two babies, Josh and Kailie, and a
house upon the bay
Well be best of friends, til the end, and baby Ima
promise Ima see you again
So go, Im not beggin you to stay
Cus I got this funny feelin I'll be seeing you someday
That's right go, Im telling you to walk away
Cus I know somewhere down the line I'll be, I'll be
seeing you babe
I can't believe it (repeating)
When I find you again I'll never let you go
